

Congratulations to the following students who are advancing to State for their “I Will Change the World by...” submissions in the National PTA Reflections program.

Each year, more than 300,000 nationwide students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. This 50+ year-old program helps students explore their own thoughts, feelings and ideas, and develop artistic literacy.

Elmhurst D205 students submit their completed works in these categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, Visual Arts within these three divisions: Primary (Pre-K - Grade 2), Intermediate (Grades 3-5), Middle School (Grades 6-8).
